Avi Odenheimer

Hi !
I am an experienced 3D artist with a passion for design and technology. I am looking for a position that will challenge me and allow me to apply a wide range of skills.

EXPERIENCE

3D Artist
Encore VFX
Toronto On

2015 Encore VFX
At Encore I did modeling and texturing of photorealistic assets as well as some light rigging, scripting and Ncloth simulations.

3D Artist
Guru Animation
Toronto On

2014 Guru Animation
At Guru my assignment was to create 3D assets. In addition I used mel and python to develop tools that aided my fellow team mates.

3D Generalist
Headgear Animation
Toronto On

2013 Headgear Animation
At Headgear I used my 3D and design skills to solve problems and speed up production. I worked on pitching ideas to cleints and creating high end advertisements.

Military Experience
3 years as a team leader in the IDF.
5 years as a team leader in a private security firm.
